สร้างวงกลม

The image shows a software interface for creating and formatting a shape. On the left, a yellow circle is displayed on a dark background. The circle is filled with a dark olive green color and has a transparency of 70%. It is surrounded by a white border and has eight white circular handles for resizing and a rotation handle at the top. On the right, the 'Format Shape' task pane is open, showing the 'Shape Options' tab. Under the 'Fill' section, 'Solid fill' is selected. The 'Color' is set to the same dark olive green as the circle's fill, and the 'Transparency' is set to 70%.

เลือกคำสั่ง Subtract

The image shows the Microsoft PowerPoint interface. At the top, the ribbon includes 'Shape Styles', 'WordArt Styles', 'Arrange', and 'Size'. The 'Merge Shapes' dropdown menu is open, showing options: Union, Combine, Fragment, Intersect, and Subtract. The 'Subtract' option is highlighted. In the center, a diagram shows two overlapping yellow circles on a dark background. The intersection of the two circles is removed, leaving two separate yellow shapes. The 'Format Shape' task pane is open on the right, showing 'Shape Options' and 'Text Options' tabs. Under 'Fill', 'Solid fill' is selected. The 'Color' is set to yellow and 'Transparency' is set to 70%.

The screenshot displays the Microsoft PowerPoint interface with the 'Merge Shapes' menu open. The menu options are:

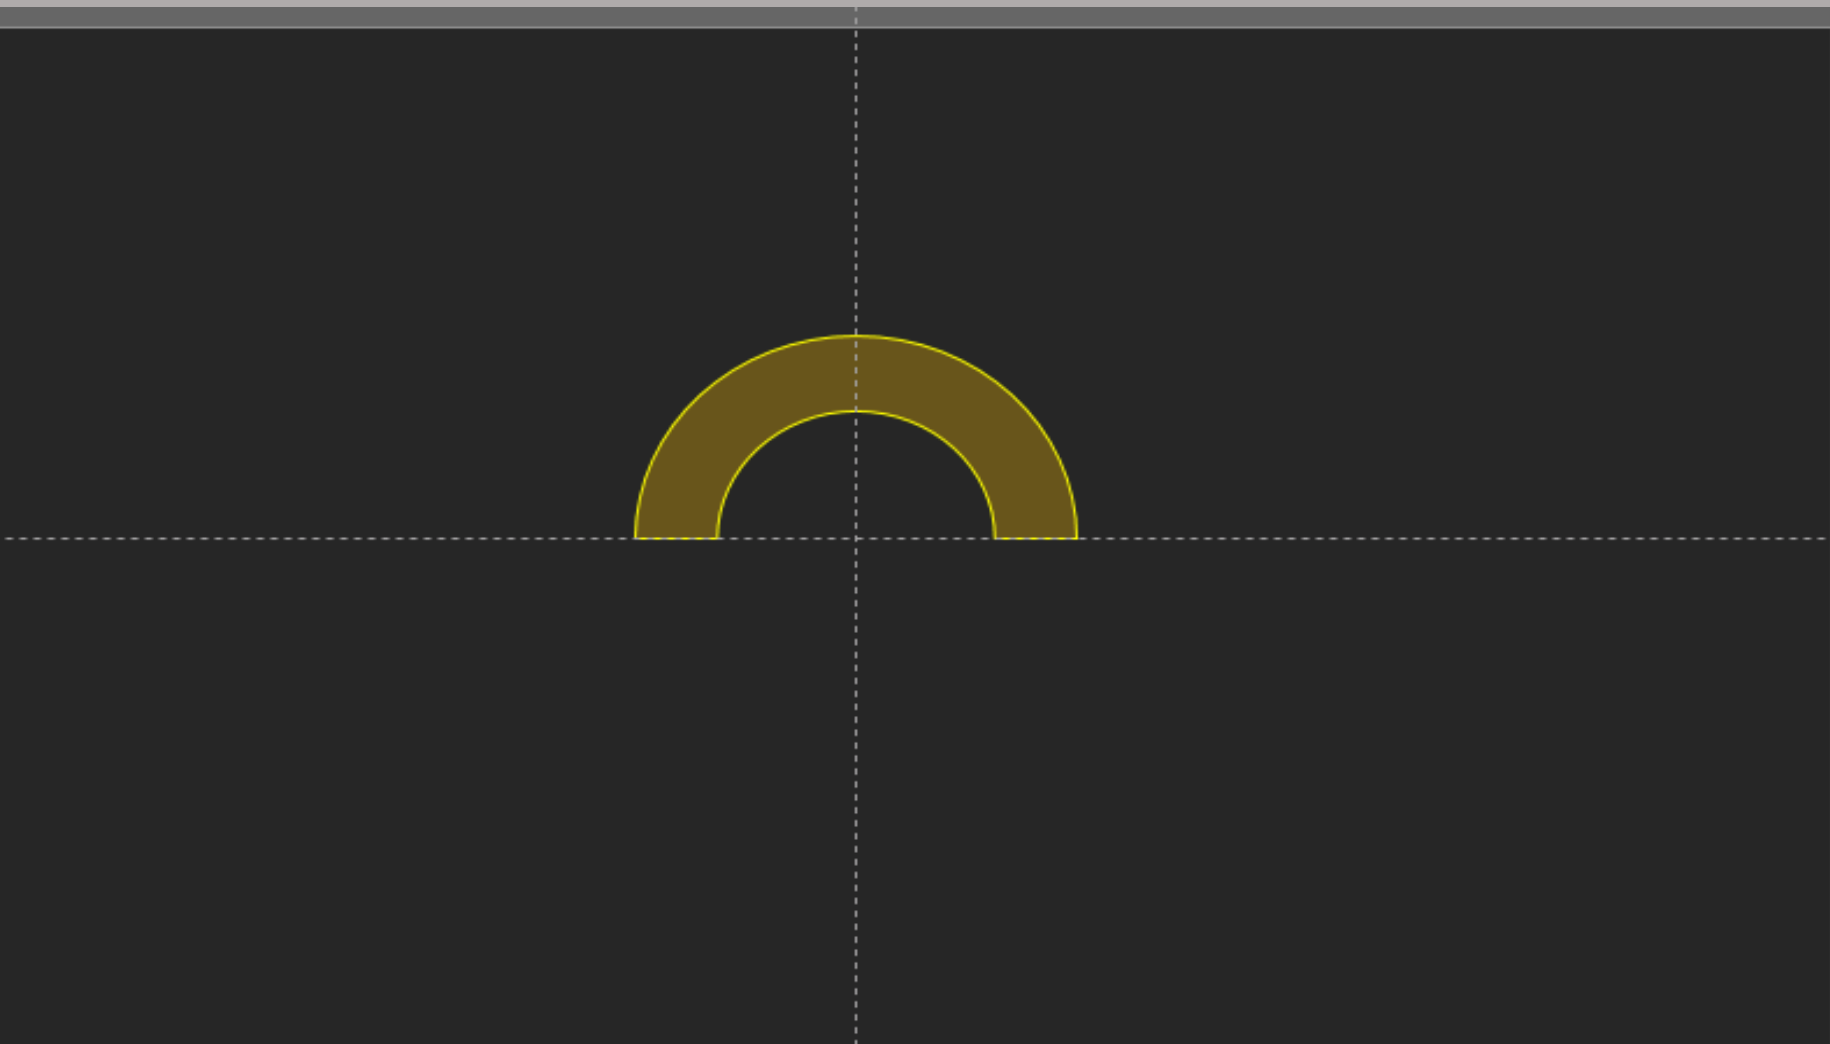

- Union
- Combine
- Fragment
- Intersect
- Subtract

The main workspace shows a yellow circle partially overlapping a yellow square. The square is currently selected, and a vertical dashed line indicates it is being cut in half. The ribbon at the top includes the following tabs and options:

- Shape Styles:** Three 'Abc' text boxes with different fill colors (white, blue, orange).
- WordArt Styles:** Three 'A' text boxes with different fill colors (white, blue, orange).
- Arrange:** Bring Forward, Send Backward, Selection Pane, Align, Group, Rotate.
- Size:** Two dimension input fields.

The 'Format Shape' task pane on the right is visible, showing the 'Fill' section with options for No fill, Solid fill, Gradient fill, Picture or texture fill, Pattern fill, and Slide background fill. The 'Line' section is also partially visible.
